

# EXPAND 2000

## Product specification:

The Expand 2000 system gives maximum attention to your presentation while itself taking a backseat. No matter whether a shopping mall, a hotel lobby, an event or a trade fair stand are concerned – high-quality products and services deserve a high-quality display.

Easy handling, easy transportation and numerous display options are the characteristic features of this system. Once the presentation is finished, Expand 2000 turns into a transport box capable of carrying all images.
